4 Easy Steps to a Beautiful Invitation Created Just for You!

Step 1: Order Your Invitation

Browse through the Cherish Invitation Wedding site. Be sure to check out color and paper options.

If you find an invitation style you like, or for designs that only come in one style, order the invitation by clicking on the “Buy” link. Don’t worry about colors or other options; your designer will work with you on the specifics after your order is placed. Cherish will assign a designer to your account after you place your order.

Follow the link instructions given and place your order.

Step 2: Fill Out Information Sheet

Fill out the information sheet your designer sends you. This easy, click to fill form will ask for all the information we need to create your invitation, such as bride and groom names, wedding venue, wording, colors, font styles, and so on. To fill out the form:

1. Save the form to your computer
2. Fill out the form and click save
3. Open original email from your Cherish designer and hit reply, insert completed form, press send on the email bar.
4. Your designer will confirm receipt of your completed form and contact you with any questions or specifications needed.

Step 3: Check Your Email for Your Digital Proof

Your designer will create an invitation according to your specifications in step two and your conversations. You will receive the proof by email. In most cases, you will get your proof within 1 to 3 days.

Step 4: Sign and Date Proof

Approve your digital proof. Be sure to look over your proof carefully, including the spelling of names, times, venue, and so on. If the proof meets with your approval, sign and date and fax to 1.866.374.3052.
